Business Law Principles and Cases In The Legal Environment | 54e8e42addf59481d44fb7427089ea48

Business Law offers comprehensive coverage of the key aspects of business law that is easy to understand for both law and non-law students. Established legal topics such as the English Legal System, Contract, Consumer, Company and Employment Law, as well as emerging areas such as Health and Safety and Environmental Law, are considered as they apply to business. This edition also includes coverage of the new essential field of Intellectual Property, written by Janice Denoncourt. The work has been thoroughly updated to include all the recent major developments in the law, such as the Consumer Rights Act 2015 and the Small Business, Enterprise and Employment Act 2015 together with important cases that have been decided in the period since the last edition. Mention, of course is made of Brexit, although as yet its outcome and consequences remain uncertain. Key learning features include: Law in context boxes that contextualise each chapter’s topic within the Business environment; diagrams and tables to illustrate key principles; updated key case boxes that highlight landmark cases for easy reference; revision summaries at the end of each chapter to help clarify the key points for each topic; an attractive two-colour text design that aids easy understanding and quick referencing; an up-to-date and easy-to-use companion website with additional features to further your learning and track your progress. Business Law offers a topical overview of this subject in an accessible style suited to both law and business studies undergraduates.

The Second Edition of BUSINESS LAW: Principles and Cases in the Legal Environment, continues to offer a readable, rigorous, and practical introduction to business law—in a format improved to enhance learning and understanding. With a thorough explanation of the legal and regulatory issues affecting businesses, Davidson and Forsythe utilize outlines, exhibits, questions, and problems to help students get the most out of each chapter. Timely cases and examples conserve the language of the court. A continuous Business Application Case threads throughout the book, providing a hypothetical business environment in which students learn to apply the law. Designed to optimize teaching and learning, BUSINESS LAW: Principles and Cases in the Legal Environment, features: Complete topical coverage in a clear and accessible presentation A continuous hypothetical business model that connects theory and practice A Classic Case and a Contemporary Case example in each chapter Rich pedagogy that

The objective of Contemporary Canadian Business Law is to inform and educate business law students who will need to identify when legal advice may be required. Students taking undergraduate business law courses are unlikely to become lawyers and are more interested in applying the principles to situations commonly found in the contemporary business world. Instructors look for a text which speaks to their students as business students rather than as potential law students. Willes ninth edition is relevant to business students through the inclusion of pedagogical elements such as Case in Point, Business Law in practice, Front Page Law boxes and Rights, Wrongs and Ethics boxes. The currency of the features helps to engage students by demonstrating how certain situations will tie directly to their business lives. The new ninth edition includes enhanced currency, accuracy and readability of the material, providing: More effective flow as a result of the reorganization in Parts 5 and 6 Updates to make the real world material more current More detailed coverage of environmental law Inclusion of corporate social responsibility Increased business orientation Inclusion of management practices Making areas of the text more concise

Essentials of Business Law is well regarded for its clear yet succinct exposition of core principles and key cases across the essential legal topics relevant to business students. This new edition has been significantly updated and deals fully and comprehensively with the Consumer Rights Act 2015.

Business Law: Principles and Cases in the Legal Environment offers students a readable, rigorous, and practical introduction to the real-world of business law. Students receive not only a thorough explanation of the legal and regulatory issues affecting businesses, but also have the opportunity to apply what they learn to real business situations. All chapters contain outlines, summaries, margin notes, and comprehensive question and problem material. The majority of cases and examples are current, condensed, and presented in the language of the court. An interesting feature includes a ‘thread case’, applying practical applications to a hypothetical business.

The 18 interactive online tutorials (compatible with both Windows and Mac OS), together with a companion book, cover the sources of Australian law (legislation and case law); the essential principles of contract law; the Australian Consumer Law; agency law; tort law; and business organisations.

MacIntyre’s Business Law is the foremost text for non-law students seeking an understanding of the legal principles that apply to business. Each chapter begins with a clear outline of the topics to be covered, helping you break your learning down into manageable chunks and fully grasp all aspects of the subject. In addition, the text offers key points to guide your learning and tasks to help you apply what you have learned to business situations. Each chapter ends with a series of multiple-choice questions and a selection of in-depth problem questions. A Lecturer’s Guide, made available to lecturers who adopt the book, provides suggested answers to all of the multiple-choice and problem questions.

Among the main topics addressed by this text are contracts, sales, commercial paper, debtor-creditor relations, property, business organizations, and government regulation of business. Each chapter contains a list of major topics, a summary list of key terms, and questions and problems.
Concise and user-friendly, BUSINESS LAW: TEXT AND EXERCISES captures basic business law in a straightforward, practical manner. As part of the Cengage Advantage book collection, this paperback book offers students and teachers one of the most cost-effective and efficient choices for the business law survey course. This revised Sixth Edition is designed to help students master the legal concepts and doctrines presented, and to give them experience in applying basic legal principles to common business situations. Hypothetical examples are used for illustration rather than real court cases. With this proven formula for success, BUSINESS LAW: TEXT AND EXERCISES continues to be the most approachable and practical text for the course.
